PETITION TO IMPEACH 3 FEDERAL JUDGES

(Aug. 2024).

JIM JORDAN

CHAIR OF THE JUDICIARY COMMITTEE,

U.S. HOUSE OF REPRESENTATIVES.

- 1- U.S. District Chief Judge, Randall Crane,
- 2- U.S. District Judge, Ricardo H. Hinojosa, and,
- 3- U.S. District Judge, Micaela Alvarez.

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT MASSIVE MEDICAL/SCIENTIFIC CORRUPTION ARE PLUNGING OUR COUNTRY INTO DEPTHS OF SELF-DESTRUCTION AND DESOLATION BEYOND IMAGINATION.

"Much of the scientific literature, perhaps half, may simply be untrue. Afflicted by studies with small sample sizes, tiny effects, invalid explanatory analysis, and flagrant conflicts of interests, together with an obsession for pursuing fashionable trends of dubious importance, science has taken a turn for darkness." (Emphasis mine)

Dr. Richard Horton, editor of the Lancet (2015)..

On their book, Nature as Weapon of Global War (2021), J. Marvin Herndon, Ph.D., and Mark Whiteside, M.D., detail how:

"(A)s during Hitler's Third Reich, many too many scientists and physicians are complicit, overtly or by their silence and compliance." (On the destruction of millions of children and of other defenseless and unsuspecting victims as detailed herein). (Emphasis mine)

Experts Greg Douquet and Peter L. Levin warn that we have closed the border to shared knowledge and diluted educational achievement, and that this turn has caused the United States lagging in science and engineering and falling behind in every measure which is severely hurting our economy and our global influence.

U.S. lagging in science. Here's how we can catch up, the Monitor Dec. 20, 2020 at 8A.

48% of adults reported "only some" confidence, while 13% reported "hardly any confidence"

Confidence in science fell in 2022 as political divide persists polls show, the Monitor June 16, 2023 at 6A.

FOR DECADES, THE CORRUPTION OF SCIENTIFIC RESEARCH HAS BEEN AIMED TO CONCEAL THE MASSIVE HARM CAUSED BY THE MASSIVE MEDICAL ERRORS.

On March 2014, the director of the US Research and Integrity, David Wright quit his job denouncing pervasive scientific misconduct in biomedical research at the CDC and at other health federal agencies.

K.P. Stoller, *Incurable Me* (2016), id.

In detailing the pervasive corruption of scientific research a federal report found:

"Every President over the two past decades has, to some degree, undermined research and injected politics into science..."

Task Force on Democracy Sees Trump Has Pushed Scientist to Crisis Point, NY Times Oct. 4, 2019 at A22.

"Now, we are at a crisis point, with almost weekly violations of previously respected safeguards." id.

"For the public to lose faith in that process will call into question everything that has been done to make our drugs and food safe and our environment healthier." id.

The report details persecution and retaliation against scientists that denounce corruption in federal agencies, and warns that without Congressional intervention, the integrity of scientific research will continue to be eroded. id.

Congress can intervene to stop and prevent the atrocities being committed by the Medical Industrial Complex on millions of children and on millions of other defenseless and unsuspecting victims.

THE MASSIVE MEDICAL ERRORS HAS INCREASED CHILDREN'S MORTALITY TO ALARMING AND CRISIS LEVELS.

"A nation that begins losing its most cherished population - its children - faces a crisis like no other."

Dr. Steven Wolf.

The Monitor April 23, 2023 at 11A.

"The mortality rate among children 1-9 rose by 11% between 2019 and 2020 and an additional 8% between 2020 and 2021."

"And its the biggest increase in the U.S. child mortality in more than 50 years according to the study." id.

Despite that Traditional doctors in the U.S. get paid more than twice than doctors in other developed countries, their massive medical errors continue injuring millions of children and millions of other defenseless and unsuspecting victims as detailed herein.

"(W)e are spending twice as much money as the other developed nations and getting worse outcomes." George C. Benjamin, Director of the American Public Health Association. +

Life Expectancy Ticks Up Slightly for First Time in 14 Years,
The Wall Street Journal, Jan 31, 2020 at A3.

"Americans are more likely to die before they turn 25 than their peers in other wealthy nations,"

U.S. has a higher mortality rate than peer countries study finds,
the Monitor Feb. 6, 2022 at 8a.

+ See pages 1-3, 29-36 to Appendix B, attached herein.

NOTE 7.

More than 20 years of litigation generated specific, concrete and undisputed medical, scientific and legal evidence on the record proving the collusion of Chief Judge Crane, Judge Hinojosa and Judge Alvarez with Greg Abbott, with the U.S. Dept. of Education, with the Commissioner of the Social security, with the U.S. Attorney, Mr. Alamdar S. Hamdani, and with more than 25 Judges and others on the fraud on the Courts to conceal under fabricated excuses of national security among other crimes:

- 1- That most doctors are in the dark or in denial of Environmental Medicine, and of EHS and CHS and other harm caused and aggravated by radiation and chemicals and continue misdiagnosing and mistreating the harm caused by chemicals and radiation with harmful chemicals and radiation, including powerful drugs, deadly painkillers and deadly chemo and radiation therapies; +
- 2- That these massive medical errors are maiming and torturing to death millions of children and millions of other defenseless and unsuspecting victims;
- 3- And to conceal that the future of our children and the future of our country and national security are being sold to the Wireless, to Big Pharma and to the Medical Cartels as detailed herein.

+ (This is like trying to extinguish a fire with gasoline)

These facts demand immediate Congressional intervention to protect our children from these heinous atrocities and to demand the resignation of U.S. Attorney Hamdani for his participation in these crimes as detailed herein.

NOTE 7.

THE REFUSAL OF DOCTORS TO GET TRAINING IN ENVIRONMENTAL MEDICINE IS MAIMING AND TORTURING TO DEATH MILLIONS OF CHILDREN AND MILLIONS OF OTHER DEFENSELESS AND UNSUSPECTING VICTIMS.

Most doctors are in the dark or in denial of Environmental Medicine.- the harm caused by Toxicants commonly found on the environment, including microwave radiation, Arsenic, Lead, Mercury and Pesticides.

These massive medical errors are foreclosing the possibility of a cure on millions of patients, as detailed herein.

"The world may be moving inexorably toward one of these tragic moments that will lead historians to ask:

Why did they not act in time?

Dr. Olle Johansson.

"Our environment currently has about 10 billion times more RF⁺ radiation than it did in the 60s."

"If this environment is safe, we're talking about 15,000 - 25,000 papers - in peer-reviewed scientific journals - all being wrong. That has never happened before."

Dr. Olle Johansson, Associate Professor and Neuroscientist at the Karolinska Institute in Sweden. ++ (Emphasis mine)

On her book, *Unsafe At Any Meal* (2017), Dr. Renee Jay Dufault details how for decades, the federal agencies in charge of protecting our health (including the FDA and CDC) have been concealing the dramatic increase of environmental toxicants including Arsenic, Lead, Mercury and pesticides, and how these toxicants are causing catastrophic, irreversible and deadly harm and disabilities to millions of children and to millions of other defenseless and unsuspecting victims. This massive corruption answers the question: "Why did they not act in time."

EVIDENCE ON THE RECORD HAS PROVEN THAT MORE THAN 25 JUDGES COMITTED FRAUD ON THEIR COURTS TO CONCEAL THAT MASSIVE MEDICAL ERRORS ARE MAIMING AND TORTURING MILLIONS OF CHILDREN TO DEATH.

"A nation that begins losing its most cherished population - its children - faces a crisis like no other."

Dr. Steven Wolf, the McAllen Monitor April 23, 2023 at 11A.

"The mortality rate among children 1 - 9 rose to 11% between 2019 and 2020 and an additional 8% beteen 2020 and 2021." id.

"And its the biggest increase in the U.S. child mortality in more than 50 years according to the study." id.

What makes these heinous crimes more horrific is that the fraud on the Courts was to conceal that compelling docters to get training in Environmental Medicine can stop and prevent these atrocities as detailed herein.

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT MASSIVE MEDICAL ERRORS ARE DESTROYING OUR WORK FORCE.

According to the CDC, "(A)as many as 26% American adults - more than 1 in 4 have some type of disability."

Ruben Navarrete, Disability tourist' experience was a life-changing blessing, the Monitor March 5, 2023 at 1B.

"We've never really been in this type of situation before."

"There's just not enough (young adults) to replace people who are leaving."

William Frey, Demographer at the Brooklin Institution, Working-age group shrinking for the first time in nation's history, the Monitor July 5, 2021 at 9A.

Vast body of research has been "trying to explain why about one in nine men in so called prime working age-25 to 50- are out of the labor market today compared with one in 50 in the mid-50s."

Why did so many men quit working? the Monitor Dec. 9, 2022 at 1C.

"

MOST PEOPLE ARE UNAWARE THAT MASSIVE MEDICAL ERRORS AND MASSIVE EXPOSURES TO WIRELESS/MICROWAVE RADIATION AT SCHOOLS, DAY CARE CENTERS AND HOSPITALS ARE MAIMING AND TORTURING CHILDREN TO DEATH.

This may be the loudest wake-up call to parents, grandparents and parents to be.

"A correspondent in North Carolina sent me this account a few days ago of a healthy newborn who was irradiated nearly to death by the hospital environment:"

"Baby Emiliano was born in excellent health, but when I returned 12 hours later, he had been moved to a different room and I became concerned because I myself developed dizziness, tremor, and headache within about 5 minutes of visiting his room."

Arthur Firstenberg, President of the Cellular Phone Task Force, and author of *The Invisible Rainbow: A History of Electricity and Life* (2017), News letter Sept. 20, 2023, page 1.

"I knew to check my RF meter because these are microwave sickness symptoms which I get when the RF levels are high. The Cornet measurements hovered between 11 and 15 milliwatts per square meter!" id.

(That is between 11,000 and 15,000 microwatts per square meter) +++ See page 4 to Appendix B, attached herein. (11,000 - 15,000 uW/m²)

"Personally I need the RF levels below about 0.006⁺ milliwatts per square meter, so I can't imagine what it was doing to an infant who was 12 hours old." id. (Emphasis on original) + That is 6 uW/m² of MWR.

"When I opened the curtains I noticed there was a round 5G pole outside on the street;" id.

+++ The levels of microwave radiation reaching children at school are more than 250,000 microwatts per square meter, see pages 4-13 to Appendix B, attached, Hospitals are also radiation traps, pages 20, 21, 45, herein.

"By day 3, Emiliano had developed jaundice and soon was put in the Neonatal Intensive-Care Unit, which also had very high radiation levels. While on that unit, his jaundice numbers continued to climb, and he developed a rash." Firstenberg, page 2, id.

"I told the nurse that I had a 5G rash, just like the baby. She had no clue what I was talking about. She explained that lots of babies get rash_p but they don't know what causes it." id.

"After many more days in the NICU, being irradiated 24/7, the baby developed a staph infection near his tiny fingernail. The infection began spreading down his finger and they were talking about amputating his finger." id. (Emphasis mine)

"Within 48 hours of being transferred away from the high radiation at Duke Medical, the rash improved dramatically, the jaundice scores declined, and the staph infection began to improve." id.

"The baby recovered fully there and is home now." id.

The diagnosis process includes taking into account "exposure to toxic substances" Mosby's Medical, Nursing & Allied Health Dictionary 5th Ed. (1998).

"You can't treat the disease without being able to diagnose it."

Dr. Michael Weiner.

"The greatest obstacle to discovery is not ^hignorance -- it is the illusion of knowledge." Daniel J. Boortin.

Doctors' ignorance and illusion of knowledge are causing tragic consequences to millions of children as detailed herein.

SOME OF THE IMMEDIATE, CATASTROPHIC AND DEADLY HARM CAUSED BY
EXPOSURE TO WIRELESS/MICROWAVE RADIATION:

"Nearly immediately after the cell tower was 'upgraded' in 2019, Marcia became disabled from the intense levels of radiofrequency (RF) radiation emitted by the tower."

"Since then, she has suffered 51 strokes, vision loss, hearing loss, headaches, sleep disruption, chronic fatigue and cognitive impairment. She experiences ongoing issues with balance, orientation and mobility."

Suzanne Burdick, Ph.D., Exclusive: Woman Living Near Cell Tower Diagnosed With 51 Strokes, Children's Health Defense, Big Tech News 02/29/24. Doctors couldn't explain why this was happening. id.

"Their son, too, has had negative health episodes - including a major blood clot in his left arm - " Id.

"'Is it normal that my arm is blue and tight?'" Marcia's son asked. id.

"CT scans showed Clay had a blood clot starting from his elbow into his neck and two more clots in his lungs." id.

After the phone companies refused to accommodate Marcia's disability, and backed by the legal team in Children's Health Defense, Marcia plans to sue the companies operating the cell tower. id

One in five children, including Autistic children are taking melatonin for sleep problems, and melatonin poisoning increased by 530% largely on children under age 5. Melatonin use soars among children, with unknown risks. Lisa Marshall, Nicholas Goda, CU Boulder Today Nov. 13, 2023.

"'If this many kids are taking melatonin, that suggests there are a lot of underlying sleep issues out there that need to be addressed,'"

"Addressing the symptoms doesn't necessarily address the cause."

Dr. Lauren Hartstein. id. (Emphasis mine).

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT THE MEDICAL PRACTICE OF TRADITIONAL DOCTORS + IS NOT BASED ON SCIENTIFIC EVIDENCE.

"Evidence-based medicine is the conscientious, explicit, and judicious use of current best medicine in making decisions about the care of individual patients.

"The practice of evidence-based medicine means integrating individual expertise with the best available external clinical evidence from systematic research."

David Sacket, British Medical Journal. (1996).

"WHY THE BEST MEDICAL RESEARCH DOES NOT MAKE IT INTO CLINICAL PRACTICE?"

"Because There's No Money in the Cure."

K.P. Steller, M.D., Incurable Me (2016).

There is no money in prescribing avoidance of unnecessary exposures to wireless/microwave radiation and to other Environmental Toxicants and such prescriptions could expose in plain sight and in bright day light the the massive and heinous crimes being committed by the Wireless, by Big Pharma and by the Medical Cartels on millions of children and on millions of other defenseless and unsuspecting victims as detailed herein.

+ Doctors without training or expertise in EHS and CHS and in other harm and disabilities caused and aggravated by wireless/microwave radiation and by other Environmental Toxicants.

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT JUNK SCIENCE (THE MALICIOUS CORRUPTION OF REASON) IS DESTROYING OUR COUNTRY FROM INSIDE OUT.

On his book, JUNK Science (2006), Don Agin, Ph.D., details:

How Junk Science is the malicious corruption of reason;

How medical care, including psychiatry are based on Junk Science;

How powerful and corrupt interests are responsible for the massive corruption of science;

How this malicious corruption of science is causing immense pain and suffering to millions of children and to millions of other defenseless and unsuspecting victims;

And how this massive corruption of science is destroying our country from inside out.

THE VICIOUS, MALICIOUS AND VIOLENT RETALIATION OF THE MEDICAL CARTELS AGAINST THOSE WHO DENOUNCE THEIR MASSIVE AND CRIMINAL MEDICAL ERRORS CONTINUE UNADDRESSED, UNDETERRED AND WITH IMPUNITY.

(Like in ruthless dictatorships)

On their book, Nature as Weapon of Global War (2021), J. Marvin Herndon, Ph.D., and Mark Whiteside, M.D., detail how,

"(A)s during Hitler's Third Reich, many too many scientists and physicians are complicit, overtly or by their silence and compliance."

On the destruction of millions of children and of millions of other defenseless and unsuspecting victims. (Emphasis mine).

In one case, a doctor was murdered in a mental hospital after he denounced how doctors refusal to wash their hands before delivering a baby was causing deadly infections to the mothers.

The Texas Medical Board engaged in pervasive, malicious and vicious retaliation against against Dr. William J. Rea, a world-class expert in EHS and CHS and founder of the Environmental Health Center/Dallas, after Dr. Rea denounced how doctors without expertise in Environmental Medicine are making medical errors on millions of defenseless and unsuspecting patients. Court Transc. 693, Mendoza v. Kilolo Kijakazi, Acting Commissioner of the Social Security, Case No. 7:22-cv-85 (S.D. TX.. 2022).

Exhibit A, page 48, attached herein.

This is the reason why, Mr. Hamdani, the top federal prosecutor in this area, in violation of two Orders by a federal Court, refused to engage the evidence proving these crimes.

See copies of Court Orders, Exh. C pages 44,45, attached herein.

THE SAME AS IN RUTHLESS DICTATORSHIPS:

More than 60 doctors vanished or were found dead under suspicious circumstances. These doctors had the expertise to diagnose and treat the catastrophic, irreversible and deadly harm and disabilities caused and aggravated by exposure to wireless/microwave radiation and by other Environmental Toxicants.

See Erin Elizabeth, Holistic Doctor Death Series, Over 60 Dead In Just One Year, March 12, 2016; Court Transc. 3132, Kijakazi, id.

See also, Erin Elizabeth, Holistic Doctor Found Dead In His Natural Health Clinic, Police Investigate as Homicide. Court Transc. 3144, id.

This is similar to the mass murder of doctors during the Stalin/Soviet era. See Oleg Khlevniuk, (Stalin (2015)).

On the attempts to conceal its participation on the most horrifying atrocities ever committed against millions of children and against millions of innocent, defenseless and unsuspecting Americans, the CIA is asking Congress to extend the Intelligence Identities Protection Act (50 USC 15, Chapter 401) to criminalize identification of CIA agents, operatives, assets, and paid and unpaid informants (Infiltrators and bullies) committing crimes in American soil.

"Single acts of tyranny may be asserted to the accidental opinion of a day. But a series of oppressions, begun at a distinguished period, and pursued unalterably through every change of ministers (administrations) too plainly proves a deliberate systematic plan to reduce us to slavery."

Thomas Jefferson.

"On every front, those tasked with leading us continue to make the wrong choices bringing closer the inevitable collapse of our once great civilization." Donald Jeffries, Hidden History (2016).

And these criminal atrocities become more bizarre, as detailed herein.

DOCTORS' MOST CLOSELY GUARDED SECRET."

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT IN MOST CASES, DOCTORS' DIAGNOSIS, MEDICATION AND OTHER TREATMENT AMOUNTS TO A RUSSIAN ROULETTE.

When I was a teenager, I went to see our family doctor for treatment to gain weight. In response to my request, our doctor explained to me that it was a deadly mistake to give our body unnecessary medication and that he had learned that mistake the hard way. Our doctor explained how he had taken medication for any perceived ailment; that the medication had clogged the vessels of every organ in his body; and that he was dying from the mis-medication. Our doctor died soon afterward.

At several times during my studies of government in college, professors detailed how in most cases, doctors cannot find the root cause of illnesses, and how in most cases, doctors' diagnosis, medication and other treatment is based on probabilities, trial and error and even wild guesses.

At several times during law school professors detailed how in most cases doctors' diagnosis and medication amounts to a Russian Roulette.

During that time, a doctor shared with me what he thought was "Doctors' Most Closely Guarded Secret", that with exception of injuries that require care in the ER, in most cases, the body has the ability to heal itself if provided with the proper rest, nutrition and environment.

The doctor explained how if the medication does not kill the patient, the patient would think that the doctor and the medication provided the cure. The doctor said that in most cases "We do not cure anything."

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT MOST OF THE ILLNESSES INCLUDING EHS AND CHS ARE CAUSED AND AGGRAVATED BY WIRELESS/MICROWAVE RADIATION AND BY OTHER ENVIRONMENTAL TOXICANTS.

On his book, *Dirty Electricity* (2010), Samuel Milham, M.D., M.P.H., a world class- expert in the harm caused by the radiation at school, details his discovery of how most of the twentieth century diseases, including cancer, cardiovascular disease, diabetes and suicide are caused by exposure to radiation and warned that the massive and unrestricted deployment of wireless technologies was bound to cause a devastating increase in illnesses and mortality. +

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THE COLLUSION OF FEDERAL AND STATE AGENCIES WITH THE MEDICAL CARTELS ON THE MAIMING AND TORTURING TO DEATH MILLIONS OF CHILDREN, AND OF OTHERS.

On their book, *Nature as Weapon of Global War* (2021), J. Marvin Herndon, Ph.D., and Mark Whiteside, M.D., detail:

How "as during Hitler's Third Reich, many too many scientists and physicians are complicit, overtly or by their silence and compliance." On the destruction of millions of children and of other defenseless and unsuspecting victims. (Emphasis mine).

On his book, *From a Company of Shadows* (2012), CIA whistleblower Kevin Shipp details how the CIA routinely and covertly manipulates federal Judges to comit fraud on their Courts to conceal CIA atrocities against the American people.

During the time the FBI, the CIA and the NSA started the covert and massive violation of Americans Constitutional Rights, the then FBI Director, J. Edgar Hoover stated:

"The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists."

In attempting to justify the maiming and torturing to death of more than 500,000 children, former U.S. Secretary of State, Madeline Albright stated.

"I think this is a very hard choice, but the price --- we think the price is right."

This is the same mentality that taking advantage of people's trust, is attempting to conceal that massive medical errors are maiming and torturing to death millions of children and of other defenseless and unsuspecting victims as detailed herein.

On the year 2015, the French Parliament passed laws to protect children and people suffering from Electrohypersensitivity EHS, stating in part that:

- "7. Wireless internet is prohibited in places dedicated to the welcome, rest, and activities of children under 3 years of age."
- "8.. Wireless access for internet in elementary schools must be disabled when not in use for teaching."
- "9. One year from today, the government shall submit to the Parliament a report on electromagnetic hypersensitivity."

Firstenberg, Newsletter 1/29/15, id.

For years, other countries have been trying to protect their children from the harm caused by microwave radiation. However, evidence on the record has proven the treasonous attempts to conceal the catastrophic, irreversible and deadly harm being caused on our children by exposure to microwave radiation.

Evidence on the record has proven the collusion of the Governor of Texas, Greg Abbott with more than 25 Judges and with more than 7 federal and State agencies on the fraud on the Courts to conceal that massive medical errors are maiming and torturing to death millions of children and of other defenseless and unsuspecting victims and to benefit the Wireless, Big Pharma and the Medical Cartels as detailed herein.

Despite that Traditional/Conventional/Standard doctors⁺ in the U.S. GET PAID many times more than doctors in poor countries, their massive medical errors continue injuring millions of children and millions of other defenseless and unsuspecting Americans.

NOTE 7.

Book Review.

On their book, *Pained* (2020), Dr. Michael D. Stein and Dr. Sandro Galea detail how most doctors are confounding the injuries to organs, including vital organs as the root cause of illnesses without taking into account that these injuries could have been caused and aggravated by environmental toxicants; how these medical errors are injuring millions of Americans; and how these massive medical errors are bringing the United States to the brink of self destruction, stating in part:

"That is what makes root cause so powerful; they escape ready treatment and underlie a multiplicity of presentations."

On their book, *Plague of Corruption* (2020), Dr. Judy Mikovits & Kent Heckenlively, J.D., details how Dr. Mikovits became victim of vicious and horrendous retaliation by Hate Group Bullying, by police and even by federal law enforcement and investigative agencies after she denounced how the Medical and Big Pharma Cartels are maiming and torturing to death millions of children and millions of other defenseless and unsuspecting victims.

"A truly shocking set of revelations about the deep corruption and criminality of the medical industrial complex. Exposes the scientific fraud and brazen intellectual dishonesty that now characterizes the pharmaceutical cartels that sacrifice human health for corporate profits."

On his book PHARMA (2020), Gerald Posner details with facts the organized criminality of Big Pharma and the Medical Cartels to profit from the immense pain and suffering and from the catastrophic, irreversible and deadly harm that they are causing on millions of children and on millions of other defenseless and unsuspecting victims.

The millions of Americans suffering from EHS and CHS and from other harm caused or aggravated by exposure to environmental toxicants, has made of the medical practice and the standard of care of doctors without expertise in Environmental Medicine pure quackery as detailed herein.

PARENTS THAT BELIEVE THAT DOCTORS ARE ANXIOUSLY WAITING TO SEE, DIAGNOSE AND TREAT THEIR CHILDREN, ARE DEAD WRONG.

More than 10 years ago, Dr. Magda Havas warned that:

"with 5 billion mobile phone users worldwide, 'if we don't react in a timely fashion to these 'early warnings' we will face a human health tsunami.'" (Emphasis mine).

LynnMcLean, The Force, Living Safely in a World of Electromagnetic Pollution (2011) page 320.

Most doctors did not react in timely fashion to get training on the harm caused by wireless/microwave radiation and by other environmental toxicants, ignored the early warnings and the human health tsunami is here causing havoc on the medical care system.

The human health tsunami is overwhelming doctors with depression, burn out and suicide.

"Doctors and nurses commit suicide at higher rates than in almost any other profession. Higher levels of burnout are also associated with more medical errors and compromising patient safety." Dr. Danielle Ofri,

"For starters, patients are sicker these days. The medical complexity per patient - the number and severity of chronic conditions - has steadily increased meaning that medical encounters are becoming even more involved. There has been a dramatic increase in burnout, suicide, mental health substance use disorders among health care workers.

The millions of Americans suffering from EHS and CHS and from other harm caused or aggravated by exposure to environmental toxicants, has rendered the medical practice and the standard of care of doctors without expertise in Environmental Medicine pure quackery as detailed herein.

The Obama "Affordable Care Program" was designed to make the people pay for the massive healthcare expenses caused by the massive deployment of powerful, harmful military grade wireless/microwave radiation technologies in schools, the workplace and even homes.

This fraudulent scheme led to the massive medical errors that are maiming and torturing to death millions of children and millions of other defenseless and unsuspecting victims, since most doctors are in the dark or in denial of the harm caused by radiation.

In essence, Obama's program is compelling the people to pay doctors to maim and torture them to death with massive misdiagnosis, massive deadly painkillers and massive deadly Chemo and Radiation therapies.

More than one third of children were uninsured before the pandemic.

"Being 'under insured means you have health insurance, but it is too expensive to use. For instance because high deductible that requires you to pay thousands of dollars out of your pocket before the plan begins to cover a greater portion of costs."

Study: Thousands of US kids lack adequate health insurance, the Monitor, Dec. 16, 2021 at 1C.

For most people, Obama care insurance is incredibly prohibitive.

"A policy for his own family...runs about \$2,000 a month (\$24,000 per year) with a \$13,000 deductible. 'I am \$37,000 before I see a return on my investment, if you will.'"

Despite that disruption of the electrical impulses by exposure to microwave radiation can cause shortness of breathe, can cause blood clots; which in turn can cause can cause heart attacks and strokes; +
