

PARENTS' ALERT

SEPTEMBER, OCTOBER, NOVEMBER 2024.

PARENTS ALERT (Sept 2024).

MASSIVE MEDICAL ERRORS
ARE MAIMING AND TORTURING TO DEATH MILLIONS OF CHILDREN

"BEING SO SEVERELY ELECTRO-HYPERSENSITIVE IS LIKE BEING A HERMIT IN AN
INFERNAL HELL." +

San Fco. EarthLink Wi-Fi Network (2007), page 25.
+(Emphasis mine)

I have been homebound for more than 13 years with painful, debilitating and life-threatening Electrohypersensitivity and Chemical Hypersensitivity, EHS and CHS, which are aggravated by exposure to the same wireless/micro wave radiation and chemicals/fumes reaching children at school.

(EHS and CHS are somehow similar to the injuries caused by even small amount of peanuts to people suffering from peanut allergies).

Exposure to even low levels of wireless/microwave radiation and of chemicals and fumes causes me among other injuries, pain, swelling of brain and heart and of other vital organs; swelling of face, head and eyes; symptoms of heart attack and of stroke; rashes and loss of skin; flu and allergy symptoms; joint and muscle pain; internal bleeding; and vision, sleeping, hearing, speech, memory, concentration and breathing problems.
See Statement of Physical Disabilities, Exhibit A. +

I have a medical history of life-threatening swelling of heart; the rashes and loss of skin have been life-threatening; and the swelling inside my skull has been so severe as to push an eye out of its socket.

+ See Statement of Physical Disabilities Exhibit A at:

<http://www.wirelesswatchblog.org/wp-content/uploads/2024/09/StatementofPhysicalDisabilitiesExhibitAparttwo.pdf>

I have been violently ill several times. At times, I struggle to breathe even with oxygen. I am sleep deprived and in pain all the time. Everyday is a different torture. This is a horrible way to die.

My EHS and CHS have been recognized by federal and State agencies and by Courts as physical medical conditions and as disabilities under the Americans with disabilities Act and under the Rehabilitation Act, as detailed by the Statement of Physical Disabilities, Exhibit A to the Petition to Impeach 3 Federal Judges (2024) posted on the Case Law Documents of J. Mendoza at wirelesswatchblog.org +

MORE THAN 20 YEARS OF FEDERAL LITIGATION GENERATED EVIDENCE ON THE RECORD PROVING THE FRAUD ON THE COURTS TO CONCEAL AMONG OTHER FACTS:

- 1- THAT WITHOUT KNOWING IT, More than 50% of children and more than 50% of adults are suffering pain, swelling and other symptoms of EHS/CHS;
- 2- To conceal that the pain and swelling, including the swelling of brain and heart, and other symptoms of EHS and CHS MIMIC AND ARE CONFOUNDED WITH SYMPTOMS OF MOST ILLNESSES, including catastrophic, irreversible and deadly illnesses and disabilities;
- 3- And to conceal that MOST DOCTORS ARE IN THE DARK OR IN DENIAL OF ENVIRONMENTAL MEDICINE, of the pain and swelling and other symptoms caused by radiation and chemicals and continue misdiagnosing and mistreating THE HARM CAUSED BY RADIATION AND CHEMICALS WITH CHEMICALS AND RADIATION including powerful drugs, deadly painkillers and deadly chemo, X-Rays and other radiation.

PARENTS' ALERT (Oct. 2024).

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT FBI TERROR BULLYING IS PROVOKING MASS SHOOTINGS AND OTHER TERRORISM TO JUSTIFY EXPANSIONS OF THE USA PATRIOT ACT AND TO BENEFIT ORGANIZED CRIME.

In response to a federal lawsuit against them, with their signature, two federal Judges admitted and corroborated the undisputed evidence on the record proving their collusion with the Governor of Texas, Greg Abbott, and with federal and State Judges, prosecutors and others on the fraud on the Courts to conceal under fabricated excuses of national security among other atrocities:

- 1- That FBI Terror Bullying, which includes school officials, teachers and students are provoking children, the mentally disabled and others to comit mass shootings and other terrorism;
- 2- To conceal that the FBI is fabricating terrorism to justify massive expansions of the USA Patriot Act and the massive deployment of powerful and harmful military grade Wireless/Microwave Through-Wall "SAFETY" Satellite Radiation Surveillance on schools, on the work-place and even on homes;
- 3- And to conceal that the thousands of children whose brains and bodies have been injured by the massive exposures to wireless/microwave radiation at school and by FBI Terror Bullying are confined in Guantanamo-like prisons where the maiming and torturing by massive misdiagnosis, massive forced mismediation and by physical and sexual assaults continue with immunity and with impunity as detailed by the Petition to Impeach 3 Federal Judges (2024) submitted to the Chair of the U.S. House of Representatives Judiciary Committee and posted on the Case Law Documents of J. Mendoza at wirelesswatchblog.org⁺

PARENTS' ALERT (NOV. 2024).

EVIDENCE ON THE RECORD HAS PROVEN THE FRAUD ON THE COURTS TO CONCEAL THAT AS THE SS, KGB AND GESTAPO, THE FBI/CIA/NSA POLICE STATE IS LEADING OUR COUNTRY INTO DEPTHS OF SELF-DESTRUCTION AND DESOLATION BEYOND IMAGINATION.

"Those who forget the past are condemned to relive it." Santayana.

During the FBI Hoover Era, during almost fifty years, at the time affairs were crimes, and under fabricated excuses of national security, the FBI/CIA/NSA Police State used state-of-art miniature video cameras and mikes to monitor and record even the most intimate sexual activities of legislators, Judges and even of a President's wife. +

During this time, and under fabricated excuses of national security, the FBI/CIA/NSA Police State used this evidence for blackmail, extortion and manipulation of LEGISLATORS, JUDGES AND EVEN PRESIDENTS. ++

During that time, the same as today, the FBI/CIA/NSA Police State used Terror Bullying to fabricate terrorism and as a weapon to maim and torture even to death, those who had been wrongly and maliciously placed in secret "Terror Watch Lists"; those who denounced government corruption; and other innocent, defenseless and unsuspecting victims. +++

+ Evidence on the record has proven the fraud on the Courts to conceal that this evidence is being obtained by Through-Wall Satellite Radiation Surveillance by AI, 24/7 and at the click of a mouse as detailed on the Petition to Impeach 3 Federal Judges (2024).

HISTORY IS REPEATING ITSELF.

In response to a federal lawsuit against them, and with their signature, two federal Judges admitted and corroborated the undisputed evidence on the record proving their fraud on their Court to conceal that The FBI/CIA/NSA Police State is fabricating terrorism to justify massive expansions of the USA Patriot Act to benefit Organized Crime and to legalize under the fabricated excuses of national security:

- 1- The use of Through-Wall Satellite Radiation Surveillance to monitor and record even the most intimate activities (Including sexual activities) of Legislators, Judges and of other decision makers and even in the privacy of their home; (By AI and at the click of a mouse)
- 2- To legalize the use of this evidence for blackmail, extortion and manipulation of Legislators, Judges and of other decision makers;
- 3- And to legalize the use of FBI/CIA/NSA Terror Bullying and Radiation Surveillance as weapons to maim and torture to death those who have been wrongly and maliciously placed on secret "Terror Watch Lists" those who denounce government corruption and other innocent, defenseless and unsuspecting victims and even in the privacy of their home as detailed by the Petition to Impeach 3 Federal Judges (2024) and Exhibits A, B and C submitted to Jim Jordan, Chair of the U.S. House of Representatives Judiciary Committee and posted on the Case Law Documents of J. - 3- And sharing a copy of Parents' Alert (Sept., Oct. and Nov. 2024) with your contacts so they can do the same:
 - A- Can save immense pain and suffering;
 - B- Can save the lives of millions of children and of other innocent, defenseless and unsuspecting victims, which cannot defend themselves from these criminal atrocities;
 - C- And can restore our Constitutional Republic to its original intent.
