Dear U.S. Attorney General:

Investigation and prosecution of this Complaint of Criminal Violation of Constitutional and Statutory Rights:

- 1- Can save immense pain and suffering to millions of our children;
- 2- Can save the lives of millions of children and the lives of millions of other innocent, defenseless and unsuspecting victims;
- 3- And can restore the Judiciary, our medical system and our Constitutional Republic to their original intent as detailed on the Petition to Impeach 3 Federal Judges (Aug. 2024), and Exhibits A, B and C and as detailed herein.

"Look at the situation. No nation can destroy us militarily,
but what can destroy us from within is happening now."

Former U.S. Representative, Tip O'Neil.

COMPLAINT OF CRIMINAL VIOLATION OF CONSTITUTIONAL AND STATUTORY RIGHTS.

Specific, concrete and undisputed medical, scientific and legal evidence on the record of federal and State Courts has proven conclusively as a matter of fact and as a matter of law the collusion of the Governor of Texas, Greg Abbott with:

- 1- U.S. District Chief Judge, Randall Crane;
- 2- U.S. District Judge, Ricardo H. Hinojosa;
- 3- U.S. District Judge, Micaela Alvarez;
- 4- With U.S. Attorney Alamdar S. Hamdani;
- 5- With the U.S. Dept. of Education and the Commissioner of the Social Security;
- 6- With other federal and State agencies and prosecutors;
- 7- And with members of the Judiciary and others;
- 8- In tampering and falsification of government records; in fabrication of testimony and of statements and in fabrication of medical evidence;
- 9- And in perjury, massive fraud on the courts, massive abrogation of the law and massive abrogation of judicial integrity to conceal among other criminal atrocities;

- 1- That millions of school children are exposed to power levels of wireless, microwaves and radiation surveillance that caused severe and deadly harm even to adults, including:
 - A- Power levels above the FCC safety limits;
 - B- Power levels of radiation that caused severe and even deadly harm to teachers, to fire fighters and to police officers and to other adults;
 - C- And including power levels of microwave radiation similar to microwave radiation that has been used and are used by the military and by federal agencies for Through-Wall Satellite Surveillance, to remotely manipulate feelings, emotions and behavior and to remotely maim and torture the enemy to death;

- 2- To conceal that the chronic, unnecessary and compulsory exposures to the massive military grade microwaves and radiation surveillance and chemicals and fumes at school are causing millions of children:
 - A- Electrohypersensitivity EHS, and Chemical Hypersensitivity, CHS; (Which include pain, and inflammation of brain and of heart and of other vital organs)
 - B- And brain, eye, blood, nerve, heart and DNA damage;
 - C- And other catastrophic, irreversible and deadly harm and disabilities that defeat the purpose of education and life;

3- To conceal that most doctors are in the dark or in denial of Environmental Medicine and of EHS and CHS to continue misdiagnosing and mistreating the pain and swelling of vital organs caused and aggravated by exposure to radiation and chemicals with harmful chemicals and radiation, including:

A- Powerful drugs;

B- Deadly Painkillers;

C- And deadly Chemo and Radiation Therapies.

(THIS IS LIKE TRYING TO EXTINGUISH A FIRE WITH GASOLINE).

4- To conceal that the switch from wired to wireless Internet in schools was not to improve education, but for massive and fraudulent private enrichment;

5- To conceal that the lowering of academic standards was to mask the catastrophic, irreversible and disabling harm and disabilities caused on millions of children's brains by the massive exposures to microwave radiation at school;

6- To conceal that FBI Terror Hate Group Bullying (Which includes school officials, teachers and students) are provoking children, the mentally disabled and others to comit mass shootings and other terrorism to justify under the fabricated excuses of national security;

A- Massive expansions of the USA Patriot Act;

B- To justify the massive deployment of powerful and harmful military grade Through-Wall Satellite Microwave Radiation Surveillance of schools, the workplace and even of homes; (24/7 and by IA)

C- And to justify the use of FBI Terror Hate Group Bullying and radiacion surveillance as weapons to maim and torture to death:

- i- Those who denounce government corruption;
- ii- Those who have been wrongly and maliciously placed on secret "Terrorist WatchbLists";
- iii- And other innocent, defenseless and unsuspecting victims, including children and toddlers, pregnant women, the elderly and the disabled, and even in the privacy of their home and at the click of a mouse;

7- To conceal that the millions of children whose brains and bodies have been injured or disabled by FBI Terror Hate Group Bullying and by the microwaves and chemicals at school are being isolated, institutionalized and incarcerated like criminals in Guantanamo-like prisons where they victimization and torture continues by massive misdiagnosis and mistreatments, including massive forced misedication and by physical and sexual assaults;

- 8- To conceal that massive medical errors, that a massive medical malpractice and massive Medicaid and Medicare frauds are maiming and torturing to death millions of our children and millions of other innocent, defenseless and unsuspecting victims;
- 9- And to conceal that under fabricated excuses of national security, federal and State agencies are destroying our country from inside to benefit Organized Crime, including the Wireless, Big Pharma and the Medical Cartels and other corrupt and treasonous forces as detailed by the Petition to Impeach 3 Federal Judges (Aug. 2024) that has been submitted to U.S. Representative, Jim Jordan, Chair of the U.S. House of Representatives Judiciary Committee (And Exhibits A, B and C) posted on the Case Documents of J.
